

INTRODUCTION

We are one of the leading brand in the ceramic tile sector, with our advanced state of art infrastructure and a widespread presence on five continents. The Group provides the strength of a shared approach to industrial production, which allows us to be solid and structured, latest technological processes, and product innovation.

Since 25 years we has established itself as one of the leading brands in the global ceramic tile landscape. Our company has always been an ideal partner for customers and designers seeking superior porcelain floor tiles and ceramic wall tiles that can meet every requirement of contemporary architecture.

Our stance is to be the responsible trendsetter in the tile industry. Such ambition will position us as the brand that always affords customers utmost satisfaction.
